

**IOD International Trip 2016: 26th – 30th September 2016**

**IOD UK's Annual Convention and Company Visit**

London, United Kingdom

## Event Overview

At this very moment, no country has captured the world's attention more than Great Britain. What business community eager to hear most is how **BREXIT** will affect global economy. This is also something Thai directors should understand and closely track further development. Therefore, the Thai IOD is arranging an international trip to England for Thai directors to learn more about UK and implication from its surprising referendum outcome.

Participants will also get the privilege of attending **IOD UK's annual convention "Thriving in the Changing World"** on 27<sup>th</sup> September 2016 at the **Royal Albert Hall**. This year's convention will bring together business and political leaders and ask them two simple questions: "What is the biggest risk to business right now? And how are you going to deal with it?"
